ALBERT CASALS

Albert Casals was born in Barcelona the 18 July 1990. He's a traveler and a writer. He loves travel. And he went around the world without any money. He might travel all around the world with a wheelchair. When he was 14 years he went to Belgian with his parent and he learned to hitchhiking. He became a professional hitchhiker. He wrote a book called "*El món sobre rodes*" what talks about his journeys. He might do new journeys to the fairest and the most exotics places that you can't imagine. I think he have a really good form to see the life and how to live it. he had a difficult past, I think, but he passed it. And that make me see him like a fighter, who win.
